~ 2007 Membership Form ~

Why should you become a member? Your membership shows your commitment to support the cause. It helps us to demonstrate our strength and seriousness to the Governor and our state legislature. And most importantly, it helps us to create a base of dedicated citizens to draw upon whenever we need support.

Why do we have a fee? Your membership fee will help defray the costs associated with increasing awareness and building support for the movement – to bring about equity in public school funding. The following list will give you an idea of our basic expenses.

- Web site hosting fees.
- Costs for mass mailings – postage, envelopes, postcards.
- “Equity Kit” expenses (start-up informational kits for citizens around the state)
- State and federal organization registration fees.
- Rental fee for community forum site.

Thank You! ~ The Trustees of Citizens for Equity
